Discrimination. Don't cop it

It's never ok to be treated unfairly because of your sex, pregnancy, age, race, colour, ethnicity, disability or illness.

Have you been...

- **felt up by the boss?** (or someone at work, college or uni)
- **given grief at work?** (sacked, not employed, not given training)
- **refused entry to a nightclub?** (or another public place)
- **overlooked when renting a place** (or charged more)
- **refused a loan?**

Speak up. Discrimination is against the law.

We listen - and we can help sort out your complaint.

Our service is free, fast and informal.

Check out our website and see how we've helped young people stand up for their rights.
