

Does someone at work make you feel uncomfortable?

Does someone at work ask **unwanted sexual questions** about **how you look, your body** or **your personal life**?

If this kind of behaviour makes you feel **uncomfortable, embarrassed** or **unsafe**, it could be **workplace sexual harassment**.

Workplace sexual harassment can come from:

Your boss

Someone you work with

Your colleague

A customer

A patient

It's **your boss's job** to take steps to make sure **you are safe at work**.

Workplace sexual harassment is against the law.
