

It could be workplace sexual harassment.

Does someone at work **touch you** or **speak to you** in a **sexual way** without your permission?

If this kind of behaviour makes you **feel uncomfortable**, **embarrassed** or **unsafe** it could be **workplace sexual harassment**.

Workplace sexual harassment can happen:

At work

Before or
after work

Online (like
email or social
media with
work people)

At a party or
drinks with
work people

It's **your boss's job** to take steps to make sure **you are safe at work**, no matter if you're part-time, casual or on a temporary visa.

Workplace sexual harassment is against the law.
