

Are there people at work that make you feel uncomfortable?

It's not okay for someone to **make sexual jokes** about **your culture** or the way **you dress**.

If this kind of behaviour makes you feel **uncomfortable**, **embarrassed** or **unsafe** it could be **workplace sexual harassment**.

Even if they say there's nothing wrong with it, remember:

It's not a joke

It's not part of the job

It should not be part of any culture

It's **your boss's job** to take steps to make sure **you are safe at work**.

Workplace sexual harassment is against the law.
