About the Supporting Participation Program

This talks about the
Supporting Participation Program.

We call it **SPP** for short.

Participation means taking part in something.

Programs are done to support people in the
community.

SPP supports people with disability to go to **international forums on human rights**.

Like the **United Nations Conference of States Parties**.

The **United Nations** is an organisation where countries come together to

- Talk about world issues
- Fix world issues.

We call it the **UN** for short.

The **Conference of States Parties** is a meeting for all countries that agreed to support the rights of people with disability.

We call it **COSP** for short.

International forums are meetings where people from different countries talk about important issues.

Human rights are rights that everyone has.

Rights are **rules** about treating everyone

- Fair
- Equal.

SPP helps Australia to follow the

- **UN Convention on the Rights of Persons with Disabilities.**

We say **CRPD** for short.

CRPD is an agreement between different countries.

CRPD says how people with disability **must** have their **rights** respected.

SPP also supports people with disability to

- Speak up about their rights

- Represent their organisation.

How many applications can I put in

Organisations can only put in **1 application**.

There are 2 parts.

Part 2 is about the person wanting to apply.

Organisations need to have a part 2 for every person applying.

They could have lots of part 2 applications.

This is so there is a part 2 for each person from the same organisation.

We will only look at the last application if organisations put in more than 1 application.

Can I put in a late application

We do **not** normally let people put in late applications.

There are some reasons that we might.

This is called **exceptional circumstances**.

Exceptional circumstances are things

- Can **not** fix before applications close.

You need to ask if you can put in a late application.

- Late Application Request.

This tells people what the email is about before they open it.

You need to send the email before

Wednesday 4 November 2026

5pm AEDT.

In your email you need to say

- Why you could **not** put your application in on time.

The person making the decision will look at your reasons.

AHRC will tell you what the decision is.

Can I change my mind

Yes.

You can change your mind about putting in your application.

This is called **withdraw an application**.

You need to send an email to

disability@humanrights.gov.au

Your email needs to say
