

Dear Megan

Please find attached four chapters from my recently published co-authored book: *Australian Family Law: The Contemporary context*, Fehlberg, Belinda; Kaspiew, Rae; Millbank, Jenni; Kelly, Fiona; Behrens, Juliet, 2015, published by Oxford University Press, www.oup.com.au. Chapters 5, 6 and 7 were written by Rae Kaspiew and Fiona Kelly with Jenni Millbank wrote Chapter 8. The material in the chapters is the most up to date source of analysis on children and family violence, particularly in the family law context, and may be of help to the inquiry in informing its work and conclusions.

Please note that the attached chapters are reproduced with permission. This material is copyright and except as permitted under the Australian Copyright Act 1968 may not be reproduced without written permission from the publisher.

Kind regards
Belinda
