

Submission 65

I worked at a cafe [REDACTED]
[REDACTED]

At work one day I went to write an entry in the cafe's maintenance book to find written in the book already, by one of the owners [REDACTED] about me, "Re-bore hole in X's c[REDACTED]t." (I am X.) I kid you not.

I was 22 years of age at the time and has constantly sexually harassed by both owners.
