Hi; my name is ■■■ A. I've been here with my family for more than one year. when we came here we were very happy and we had very good feeling but now everybody is sad and depressed. and worry about future. I have 1 son. he has 4 years old. beginning he was very happy everyday play with another children but now all of the children are tired. when we came here my son was health. and good. but after that he is sick. he has too much caught and 10-15 times he used medicin and he used 4 different spray but until now he isn't good and he is sick. here we don't have any toys for children, our children needs toys and play with another children. all the children play with animals beetle, grass hopper, cater pilar, ... we promissed to our children a better life. and my son ask; "why we are living in here? really here is our house? why same befor we cannot go to shopping, park with our car?" but we cannot answer. to his.

but I have another big problem. we are big family. but now my mother is Melbarn, my sister is Darwin and we are here.

why immigration seprated my family? we lived in Iran together  
and came here together and we want stay together.

Sometimes my son jump from sleep and he told me; "save me, help me  
take my hand. I'm afraid" . and cry .

please; you tell me, what can I do for my family.

please " HELP US "

Thank you.
