

Rights in the workplace

Key questions

Your task is:

To develop a solution to the issues presented in the DVD/script which best fits in with everybody's rights and responsibilities and fulfils the law.

Key question	Your notes
1. What rights issues are raised in Lian's and Kenny's workplace?	
2. What are the different parties' perspectives in this case?	
3. What are some possible actions that could alter the workplace conditions for Kenny and Lian?	
4. What are the legal requirements of the situation and how do these influence the actions you suggest?	
5. What are the advantages and disadvantages of your suggested actions?	
6. How will your solution be accepted in the workplace, and by all the parties involved?	
7. Do you have a plan of action if your solution is not agreed to by the parties involved?
