To whom it may concern

LGB Tasmania supports this exemption for Lesbians.

Lesbians are same sex attracted female homosexuals. In the state of Tasmania it is illegal for Lesbians to hold an event and we cant even obtain a single sex exemption even though we are a minority group.

Lesbians are not attracted to men regardless in how they feel nor identify with.

To demand that we accept such men is endorsing gay conversion practice.

We support this exemption as it is much needed Australia wide for same sex attracted females weather lesbians or bisexual women.

We support the boundaries of Lesbian's.

And we hope that you consider granting this exemption

You're sincerely

LGB Tasmania
